President Wim Backelant, Vice-Pres. Mariyana Marinova , Secretary Judith Gedney, Treasurer George Troullis

Schoten , 28 – 01 – 2011

Dear members ,

During the WDFPF 2010 congress our General Secretary Judith Gedney, who has done this job for about 20 years, announced her retirement from 2011.

In June this year, during the World Single Event Championships, Judy would like to hand over this position to a new General Secretary. This should give the WDFPF enough time to look for someone to take over.

Therefore we invite anyone who would be interested in this job, to put your names forward without delay. Please keep in mind that this is a NON PAID position, with a great responsibility and quite a lot of work. It is also expected that the new holder of this position will be exclusively dedicated to the WDFPF.

English language is a priority for this position, and candidates should also be online.

All candidates **MUST** send their letter of application to the WDFPF Exec. Committee before 30th April 2011. This can include a short description of experience, and reasons why they feel they are suited for the position.

Then we will organise a postal ballot.
